TO THE BOARD OF DIRECTORS OF Resco Global Wind Services Private Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of **Resco Global Wind Services Private Limited** ("the Company") for the quarter and half year ended September 30, 2023 ("the Statement"), being submitted by the company pursuant to the requirement of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above and subject to the possible effects of the matters described in paragraphs 4, 5 & 6 below, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. During the period, the company has capitalised Rs.3,200 Lakhs approx. pertaining to earlier years which has been shown under Capital Work-in-progress. The company has not restated the financial statements relating to prior years as at March 31, 2023 and April 01, 2022 respectively as per the Indian Accounting Standard (Ind AS) 8, 'Accounting Policies, Change in Accounting Estimates and Errors' upto that extent.
5. We draw attention to Note 4 of the Statement which describes that the capital work in progress amounting to Rs.19,578 Lakh (as on March 31, 2023 Rs.10,854 Lakh) includes provisional capital expenses of Rs.13,233 Lakh (as on March 31, 2023 Rs.10,690 Lakh). In the absence of original invoices and other related documents, impact, if any, is not ascertainable.
6. We draw attention to Note 3 to the statement regarding pending/disposed off litigation matters with Court/Appellate Authorities.
7. **Emphasis of Matter**
 - a. We draw attention to Note 5 to the statement which describes that the Company has work-in-progress inventory amounting to Rs.22,563 Lakh (as on March 31, 2023 Rs.24,477 Lakh) for project development, erection & commissioning work and Common infrastructure facilities in different states. The respective State Governments are yet to announce the policy on Wind Farm Development. In the view of the management, the Company will be able to realise the Inventory on the execution of projects once the Wind Farm Development policy is announced by respective State Governments.
 - b. We draw attention to Note 6 to the statement which describes that the Commissioning of WTGs against certain contracts does not require any material adjustment on account of delays, if any.

- c. Party balances in the form of trade receivables/payables/advances to vendors and other parties (other than disputed parties) are subject to confirmation/reconciliation. Adjustments, if any will be accounted for on confirmation/reconciliation of the same, which in the opinion of the management will not have a material impact.

Our conclusion is not modified with respect to the above matters.

STATEMENT OF UNAUDITED FINANCIAL RESULTS FOR QUARTER AND HALF ENDED 30 SEPTEMBER 2023

Notes :

1. The Standalone Financial Results for the half ended September 30, 2023 have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on October 27, 2023. The Standalone Financial Results are prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013.
2. Information reported to the chief operating decision maker (CODM) for the purpose of resource allocation and segment performance focuses on single business segment of providing Erection, Procurement and Commissioning ("EPC") services and development of wind farm hence there is only one reportable business segment in terms of Ind AS 108: Operating Segment. The Company is operating in India which is considered as a single geographical segment.
3. Due to unascertainable outcomes for pending litigation matters with Court/Appellate Authorities and significance of the balance to the financial statements as a whole and the involvement of estimates and judgement in the assessment which is being technical in nature, the management is of the opinion that the company will succeed in the appeal and there will not be any material impact on the statements on account of probable liability vis-à-vis the provisions already created in the books.
4. The Capital work in progress amounting to Rs.19,578 Lakh (as on March 31, 2023 Rs.10,854 Lakh) includes provisional capital expenses of Rs.13,233 Lakh (as on March 31, 2023 Rs.10,690 Lakh) and due to long-term agreement in nature, invoice of the same will be received/recorded in due course.
5. The company currently has work-in-progress inventory valued at Rs.22,564 Lakh (March 31, 2023 Rs.24,477 Lakh) for various projects involving development, erection, and commissioning work, as well as common infrastructure facilities in different states. However, majority of the respective state governments have now announced their policies on wind farm development. Management believes that since these policies are announced, the company will be able to execute its projects and realize the inventory.
6. Commissioning of WTGs against certain contracts does not require any material adjustment on account of delays, if any.
7. The company adheres to the requirements of the Goods and Services Act ("GST Act") and "chapter-xvii" of the Income Tax Act, 1961 by maintaining proper documentation and information. However, we currently have pending GST/TDS/TCS returns that need to be filed, and we are in the process of reconciling these records to ensure that all transactions have been properly recorded and reported to the statutory authorities. Any necessary adjustments will be made when the return is filed in the current financial year. Despite the pending return filings, our management believes that there will be no significant impact on the financial statements.
